

Open Port

Design by Filip Streit

Open Port je modulární systém sezení, který nabízí uživatelům a architektům nepřeberně možností. Protože lze všechny prvky vzájemně spojit do různých tvarů a velikostí, systém dovoluje měnit vzezření místnosti dle aktuálních potřeb a inspirovat k netradičním řešením. Open Port také nabízí možnost přidat elektropanely se zásuvkami.

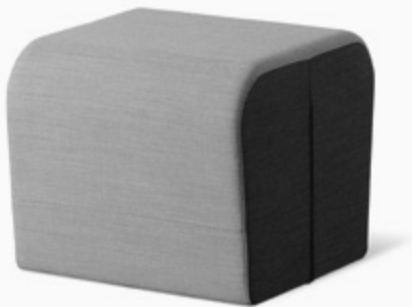

Open Port is a modular seating system that offers users and architects endless possibilities. Because all elements can be connected to each other in different shapes and sizes, the system affords variability in the look of a room according to current needs and inspire non-traditional solutions. Open Port also offers the possibility to add electrical panels with sockets.

Open Port ist ein modulares Sitzmöbelsystem mit unzähligen Möglichkeiten zur Raumgestaltung. Alle Elemente, unterschiedlich in Form, Größe und Farbe, können variabel miteinander verkettet werden, um komplette Sitzlandschaften zu erschaffen. Auf Wunsch sind Module zur Elektrifizierung erhältlich.

Open Port est un système de sièges modulaires qui offre aux utilisateurs et aux architectes des possibilités infinies. Puisque tous les éléments peuvent être connectés les uns aux autres dans différentes formes et tailles, le système vous permet de changer l'apparence de la pièce en fonction des besoins actuels et d'inspirer des solutions non traditionnelles. Open Port offre également la possibilité d'ajouter des panneaux électriques avec prises.
