Melody Meeting je na pomezí mezi měkkým odpočivným sezením a konferenčním sezením. Možnost výběru různých podnoží je příležitostí, jak tyto modely využít jak do relaxačních, tak do kancelářských nebo kavárenských prostor. Tvarová stálost vstříkované pěny, odolné potahy a vysoká kvalita šití a čalounění vytváří precizní designové řešení pro všechny kanceláře.

The choice of various bases is a perfect opportunity to make these models fit relaxation and office spaces as well as cafés. The durability of injected foam, robust fabrics and superb sewing craftsmanship and upholstery are a perfect design solution for any office.
