

Sky Fresh

Design by Forsix

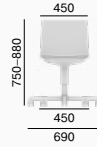

Série **Sky Fresh** je koncipovaná jako moderní, svěží a praktické sezení, které lze použít v širokém spektru interiérů. V základní variantě má plastový korpus v různých barvách, ale nabízíme i verzi celočalouněnou nebo s čalouněným sedákem. Série Sky Fresh zahrnuje celou řadu modelů, od jednoduchých židlí ideálních pro jídelny a restaurace přes vysoké barové židličky, otočné židle až po konferenční židle s nylonovými područkami.

Designed as a modern, fresh and practical seating, the **Sky Fresh** series can be used in a wide range of interiors. The body is made plastic of various colours in the basic variant but we also offer a fully upholstered option or one with an upholstered seat. The Sky Fresh series includes a wide range of models, from simple chairs ideal for dining rooms and restaurants, through high bar stools, swivel chairs, to conference chairs with nylon armrests.

Die Produktlinie **Sky Fresh** beinhaltet moderne, frische und praktische Sitzmöbel passend zu einer Vielzahl an Räumlichkeiten. Die Kunststoffschale ist in verschiedenen Farbvarianten lieferbar, optional auch mit Sitz- oder Vollpolster. Die Serie Sky Fresh beinhaltet vielfältige Modelle: vom klassischen Stuhl für Esszimmer, Restaurants und Kantinen, über Barhocker, Drehstühle und Konferenzstühle mit optionalen Kunststoffarmlehnen.

La série **Sky Fresh** est conçue comme meuble de siège moderne, frais et pratique qui peut être utilisé dans un large éventail d'intérieurs. Dans la variante de base, il a un corps en plastique de différentes couleurs, mais nous proposons également une version entièrement rembourrée ou avec une assise rembourrée. La série Sky Fresh comprend une large gamme de modèles, des chaises simples idéales pour les salles à manger et les restaurants, en passant par les tabourets hauts de bar, les chaises pivotantes, les chaises de conférence avec accoudoirs en nylon.
