

Trend

Design by Scagnellato & Ferrarese

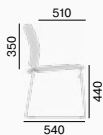

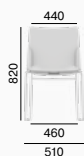

Sérii **Trend** od italských návrhářů Scagnellata a Ferrarese charakterizují jednoduché čisté linie a velká variabilita modelů. Vybrat si můžete z celé řady stohovatelných konferenčních židlí s různými variantami čalounění a dvěma typy podnoží, do série krom toho patří i dvoj- až pětimístné lavice. Židle i lavice lze dovybavit odnímatelným odkládacím stolkem.

The **Trend** series by Italian designers Scagnellata and Ferrarese is characterized by simple clean lines and great variability of models. You can choose from a wide range of stackable conference chairs with different upholstery options and two types of bases, and the series also includes two- to five-seater benches. Chairs and benches can be fitted with a removable tray table.

Die Serie **Trend**, entwickelt durch die italienischen Designer Scagnellata and Ferrarese, besticht durch klare Linien und eine großartige Variabilität der Modelle. Die große Anzahl an Modellen mit unterschiedlichen Polsteroptionen kombiniert mit zwei Gestellarten, sowie Traversenbänke und Barhocker lässt kaum Wünsche offen. Das optionale und abnehmbare Schreibtisch ist erhältlich für alle Kufenstühle ohne Armlehnen.

La série **Trend** des designers italiens Scagnellata et Ferrarese se caractérise par des lignes simples et épurées et une grande variabilité des modèles. Vous pouvez choisir parmi une large gamme de chaises de conférence empilables avec différentes variantes de rembourrage et deux types d'embases. La série comprend également des bancs de deux à cinq places. Les chaises et les bancs peuvent être équipés d'une table d'appoint amovible.
